The Glenview Giving Foundation (GGF) is a not-for-profit fundraising organization comprised of Glenview business leaders who volunteer their time and energy to raise awareness and funds for local charities. Since 2008, the GGF has raised nearly \$450,000.00 for a number of charities that serve Glenview residents. Today's tough economic conditions make it so difficult for our local charities to continue to offer the services that many so desperately need in times like these. Our Foundation recognizes that it is critical for generous businesses and individuals to offer their financial support to make up the difference.

I am asking you to help this year by making a tax-deductible donation. There are multiple levels of sponsorship for you to consider. Your business will be recognized on all promotional materials; print and online. Most importantly, because nearly everything we do is underwritten, you can be assured that 100% of your sponsorship makes it directly to the charities.

Please see the enclosed for information about our upcoming events, our charity recipients and our levels of sponsorship. If you require any additional information about the GGF, please contact me and I will be happy to answer any questions you may have. You may also visit www.glenviewgivingfoundation.org for more information.

We look forward to having your partner with the Glenview Giving Foundation to support individuals and families in need within our community.

Sincerely,
