The Glen Town Center**

**Welcome** to “Believe in the Power of the Hearts” with A Taste of The Glen. Tonight we celebrate the truly remarkable artistic and philanthropic ability of the children of Glenview.

For the past three years, children of Glenview have been creating beautiful hearts. They have contributed to raising over \$185,000 in the last two years for seven of Glenview’s hometown charities. These charities are: Clearbrook, Connections for the Homeless, Glenkirk, Northfield Township Food Pantry, Sister Paulanne’s Needy Fund, Wesley Child Care and Youth Services of Glenview/ Northbrook.

The Glenview Giving Foundation would like to thank our Glenview children and school administrators for their tremendous effort in fostering a spirit of giving, sharing and caring in our community.

During this holiday season let us all give thanks for their contribution to this amazing event. Join us tonight as we share the stories of the school hearts, recognize their artists and most importantly, thank the children of Glenview.

Please enjoy the delectable cuisine of the restaurants of “A Taste of The Glen.” We thank them for their generous support. The Heart of Glenview is brought to you by the Glenview Giving Foundation.

The third annual “The Heart of Glenview” will be held Monday, February 1, 2010 from 5:30–8:00 p.m. at Wyndham Glenview Suites.

Sincerely,

**Chris Krueger D.D.S.**
